

Magical Materials: Nano and Materials Science in the Classroom

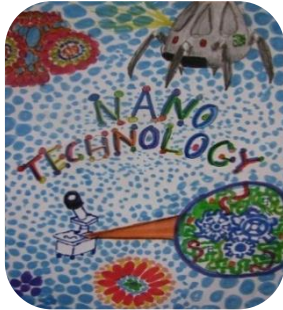

22nd of March, 2017

6pm – 8.30pm

AMBER centre, Naughton Institute, Trinity College

Visit the AMBER centre, Trinity College

Did you know that Ireland is no. 1 in the world for nanoscience research?

Would you be interested in a workshop, on nanoscience lessons, that would introduce your primary school class to this new, current, exciting 21st century science?

Aims of the Workshop:

- To introduce primary teachers to the topic of nanoscience.
- To guide teachers through the NanoWoW pack.
- To introduce teachers to our 'hands on' nanoscience experiments for senior primary children.
- To draw teacher's attention to the cross-curricular nature of the pack.
- To answer teachers' questions based on the pack.

NO PRIOR KNOWLEDGE OF NANOSCIENCE NEEDED!

PLACES LIMITED - Register your interest by emailing ambersfi13@gmail.com before 28th of February
